Original O+K illustration / an imagined instrument

Two traditions. *Individual attention.*

01 / ACOUSTIC

A good place to begin: the instrument.

At-home and workshop piano tuning, maintenance, repair, and moving in Alder Vale. Acoustic service spans upright and grand pianos.

- Piano tuning
- Maintenance + repair
- Piano moving
- Upright + grand

02 / ELECTRIC

Keep the character. Explore the possibilities.

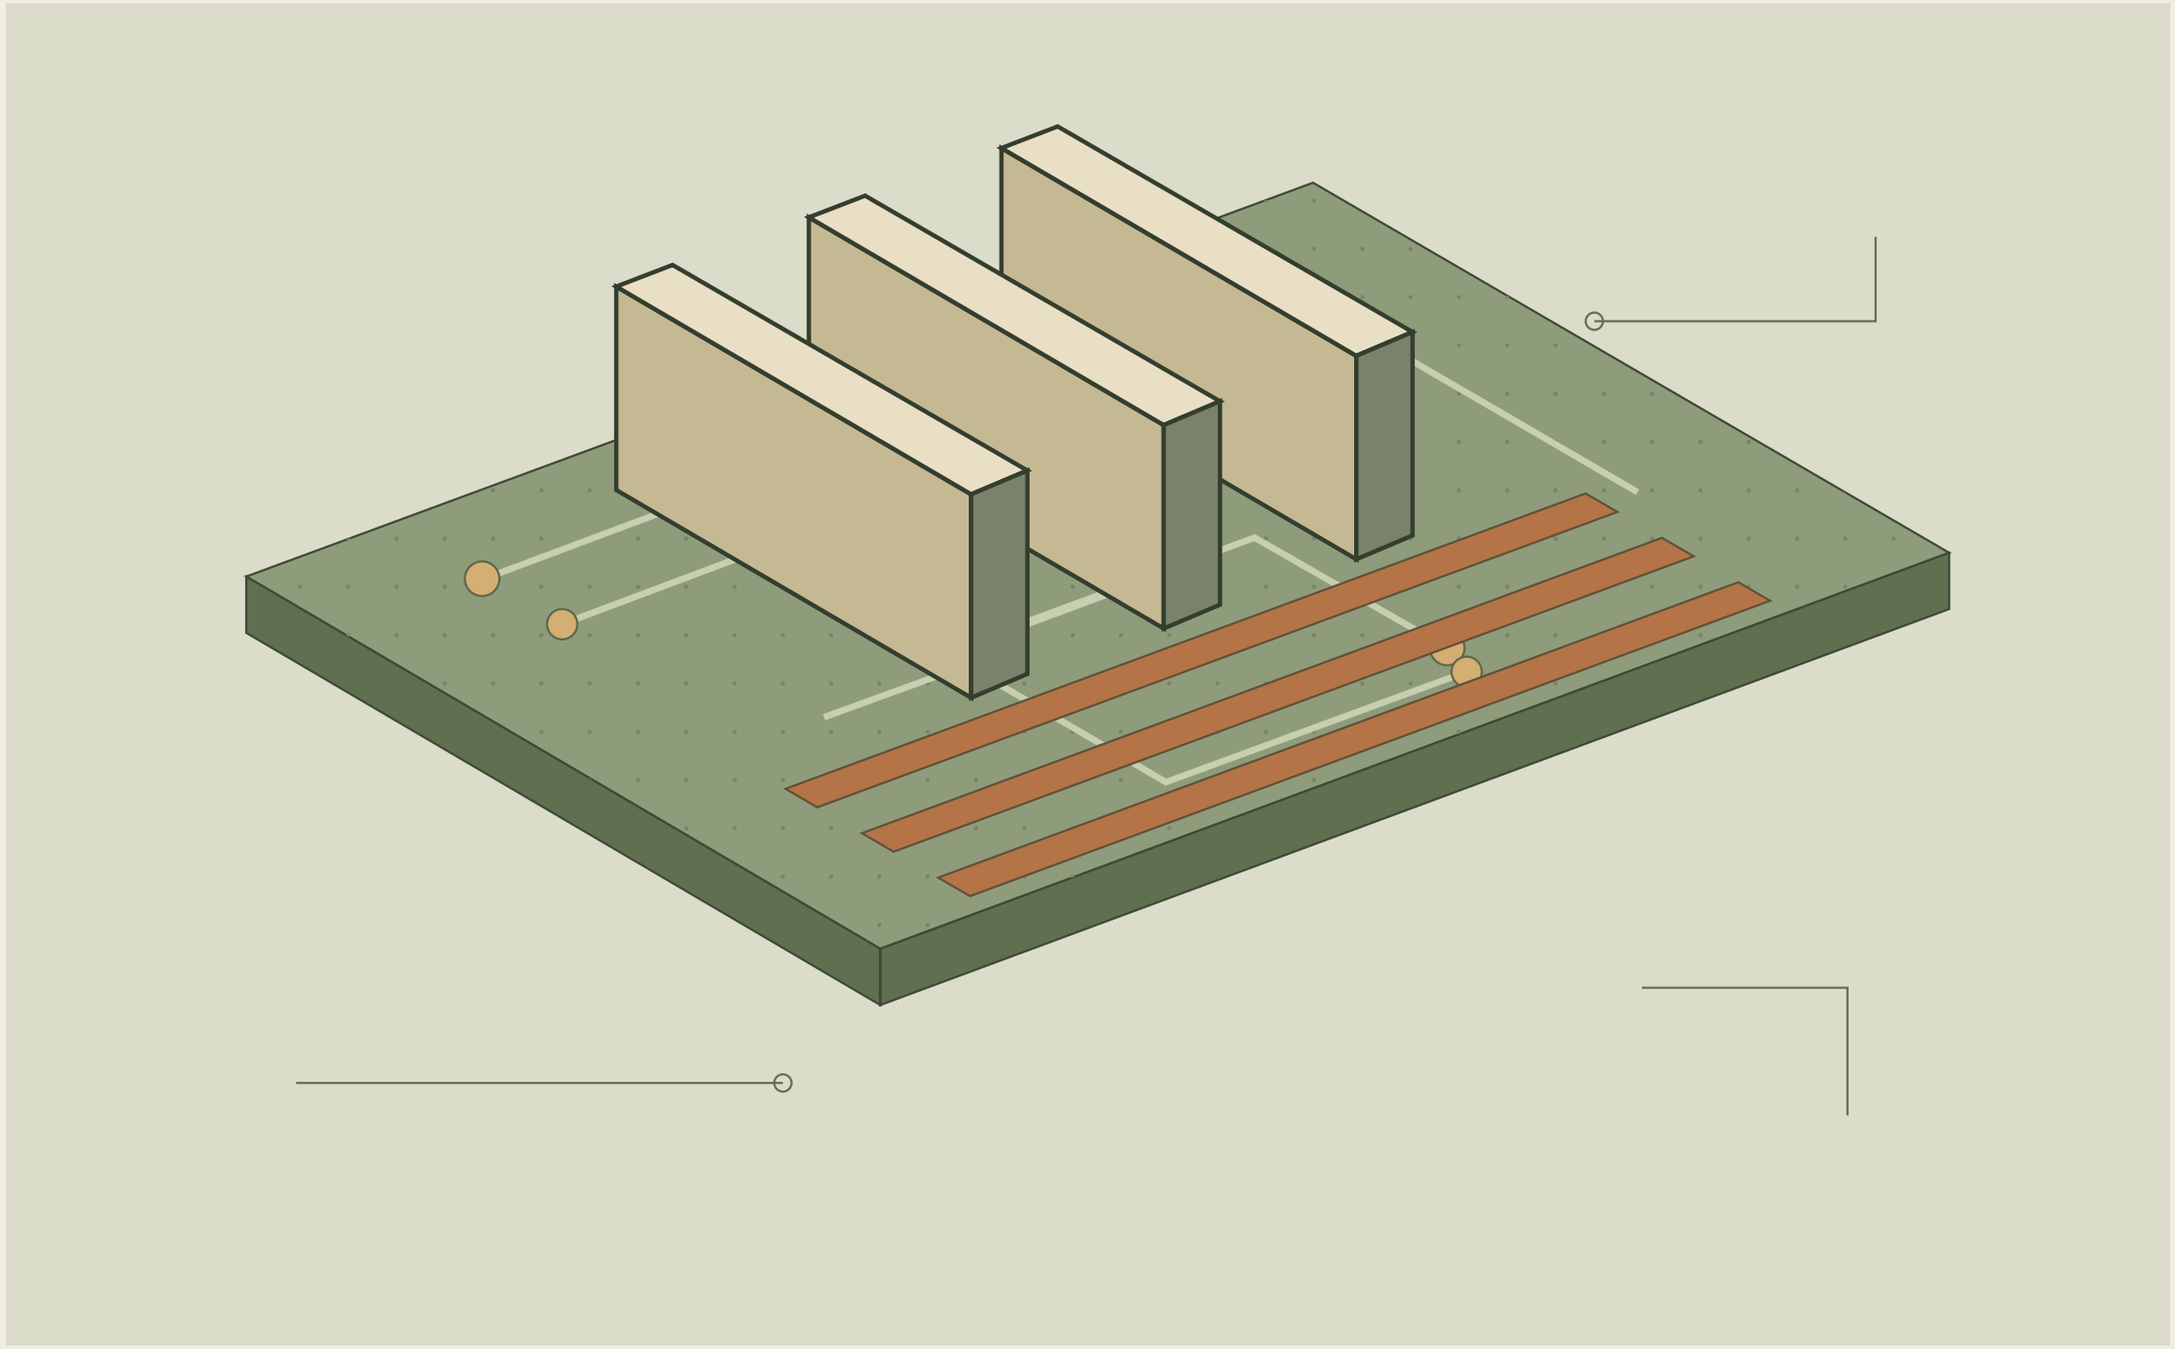

Electric piano care and full restoration for classic tine, reed, and electro-mechanical instruments. A careful approach to keeping their distinctive character.

- Electric piano service
- Full restoration
- Tine + reed pianos
- Electro-mechanical keys

Illustrative services for an invented studio. No real organization, contact details, or service availability is represented.

Under the surface.

A visual study of character, mechanism and care. Original O+K vector artwork, not a restoration photograph.

Alder Vale is an invented setting. This independent concept is a static presentation companion to the editable website; it is not a commissioned project.
